INSTRUCTIONS: Only an address represented by a Customer Number can be established as the fee address for maintenance fee purposes (hereafter, fee address). A fee address should be specified when the patentee would like correspondence related to maintenance fees to be mailed to a different address than the correspondence address for the application.

When to check the first box below: If the fee address for the patent and/or application number(s) you indicate is to be established with, or changed to, an existing Customer Number.

When to check the second box below: If a Customer Number representing the fee address has to first be established so it can then be associated with the patent and/or application number(s) you indicate.

For more information on Customer Numbers, see the Manual of Patent Examining Procedure (MPEP) §403.

Please recognize as the "Fee Address" under the provisions of 37 CFR 1.363 the address associated with:
